

GDPR

In accordance with the Law on Personal Data Protection GDPR (“Official Gazette of Republic of Serbia”, No. 87/2018), I'mJob d.o.o. Belgrade, implements all measures in order to protect privacy and personal data.

Personal data of users, on the platform and website of I'mJob, will be collected only with their consent.

The mentioned data will be used for the purpose of the activities of the employment agency, informing the users, for better insight and understanding of the needs and requirements of the users, as well as for improving the content and providing better services.

Based on the consent of the data subject, the Handler processes the data in the manner and to the extent necessary to achieve the predetermined purpose for which the consent was given:

- Informing about employment opportunities and conditions,
- Employment mediation in the country and abroad.

We process personal data of jobseekers who register on our platform and website, as follows: personal data, biographical data, data on desired jobs and all other information that is processed exclusively for these purposes.

In order to protect your right to privacy, you have: the right to access your data; the right to ask us to correct your data; the right to ask us to delete your data; the right to restrict the processing of your data; the right to object if you believe your right to privacy has been violated.

The purpose of collecting or processing personal data is mediation in employment between the person seeking employment and the employer, based on the consent of the person.
